# Liquor licensing

## Default fees as set under regulation by the Ministry of Justice

The Sale and Supply of Alcohol Act 2012, which replaces the Sale of Liquor Act 1989, came into full force on 18 December 2013. The new fee system more fairly reflects the cost of alcohol licensing.

The new laws require a premises' cost/risk rating to be determined.

The table below shows the method by which the cost/risk ratings are determined. For example, a tavern (scores 15) closing at 11:00 pm (scores 3) with two enforcements in the last 18 months (scores 20) would have an overall cost/risk rating of 38.

Type of licensed premise	Score 1	+	Latest alcohol sales time	Score 2	+	Number of enforcements in last 18 months	Score 3	
Liquor store, supermarket, grocery off-license	15	+	On-licenses and clubs <b>before 2.01am;</b> Off-licenses <b>before 10.01pm</b>	0	+	None	0	
Night clubs, taverns, adult premises, 'Class 1' restaurants	15	+	On-licenses and clubs <b>2.01- 3.01am;</b> Off-licenses <b>before 10.01pm and later</b>	3	+	1	10	
Off-license in a tavern	10	+	On-licenses and clubs – all other closing times	5	+	2	20	
Hotels, function centres, 'Class 1' clubs, 'Class 2' restaurants	10	See over page for definitions						
Remote sales, 'Class 2' clubs, 'Class 3' restaurants, other	5							
Theatre/cinemas, wine cellar doors, BYO restaurants, 'Class 3' clubs	2							

## Definitions

Restaurants	Clubs
<b>Class 1 restaurants</b> – restaurants with a significant separate bar area which, in the opinion of the relevant Territorial Authority (TA), operate that bar at least one night a week in the nature of a tavern, such as serving alcohol without meals to tables situated in the bar area.	<b>Class 1 clubs</b> – clubs which, in the opinion of the TA, are large clubs (with 1,000 or more members of purchase age) and which, in the opinion of the relevant TA, operate in the nature of a tavern (for example a large working men's club, combined clubs, or large 'cossie' clubs).
<b>Class 2 restaurants</b> – restaurants that have a separate bar (which may include a small bar area) but which, in the opinion of the relevant TA, do not operate that area in the nature of tavern at any time.	<b>Class 2 clubs</b> – clubs which do not fit class 1 or class 3 definitions (for example larger sports clubs, medium sized RSAs, many provincial social clubs).
<b>Class 3 restaurants</b> – restaurants that only serve alcohol to the table and do not have a separate bar area.	<b>Class 3 clubs</b> – clubs which, in the opinion of the TA, are small clubs (with fewer than 250 members of purchase age) and which operate a bar for 40 hours or less per week (for example small sports clubs like bowling clubs, golf clubs, bridge clubs, and small RSAs).

## Fee category, rating and corresponding costs

The total score from the above table determines the application fee and annual renewal fee.

Fee category and cost/risk rating score		Application fee	Annual fee
Very low	0-2	\$368.00	\$172.50
Low	3-5	\$609.50	\$391.00

High	16-25	\$1023.50	\$1035.00
Very high	26 plus	\$1207.50	\$1437.50

## Other license applications

Temporary authority or temporary licence	\$296.70

Trade waste consent charges are payable by all businesses with consents to discharge trade wastes into the Hutt Valley wastewater system. The scale of consent charges has been set to provide for the recovery of trade waste administration, monitoring and inspection costs. Some dischargers may generate sufficient wastes to also merit paying trade waste user charges.

The following table sets out the consent fee and user charges rates. The trade waste user charges may vary annually due to variations in plant operational cost indices such as gas prices or electricity.

To check on the rates applicable contact the Trade Waste Officers at:

Hutt City Council  
30 Laings Road  
Lower Hutt

Phone: 570 6666.
