## DETAILS OF SUBMISSION

The specific provisions of the proposed Plan Change that my submission relates to are as follows:

Errors in the Flood Plan Documents. Both versions ~~are~~ contain many errors.

(Please use additional sheets if necessary)

My submission is that:

We have lived, farmed & worked in the Flood Plan area. We know where floods go, which areas retain water (po). But, UTCC will not listen to our version as we are not qualified engineers. We do not have a piece of paper say we know what will happen, only 140 years (almost) experience.

(Please state in summary the nature of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons. Please use additional sheets if necessary)

I seek the following decision from the local authority:

UTCC must challenge the Plan. Face Regional Council and demand they listen to the local. We know this is a very big ask, and we are sure it won't happen. But, councillors, not council employees, should make this Plan ~~to be put~~ <sup>to be put</sup> ~~out~~.

(Please give precise details and use additional sheets if necessary)
