**DETAILS OF FURTHER SUBMISSION**

To **SUPPORT** or **OPPOSE** (circle one) the submission of:

Greater Wellington Regional Council (Submitter #21)

(Please state the name and address of the person making the original submission and the submission number).

The particular parts of their submission that I support or **oppose** are:

- 1.3 "the identification of areas of flood hazard" - are misleading
- 3.2 "identifying areas of high risk" - unclear & unsubstantiated
- 3.3 "future development" measures - disingenious
- 3.5 Pinehaven Stream FMP - fails to adequately protect the community

(Please clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of proposed Plan Change 42. Please use additional sheets if necessary).

The reasons for my support or **opposition** are:

As noted above, there is no published GWRC flood map for Pinehaven stream that PC42 claims to be based on. GWRC, along with UHCC, has failed to genuinely engage with the community to give cognizance to, and adequately address, community concerns.

(Please give precise details and use additional sheets if necessary)

I seek that the whole of the submission be **allowed** / **disallowed** (circle one)
