9 Host responsibility and the Sale and Supply of Alcohol Act

Various sections of the Sale and Supply of Alcohol Act 2012 require the licensee to observe certain criteria and conditions in keeping with the object of the Act. The object of the Act is to establish a reasonable system of control over the sale and supply of liquor to the public with the aim of contributing to the reduction of liquor abuse, so far as that can be achieved by legislative means. **To accomplish this objective, the Upper Hutt City Council requires that a written host Responsibility Policy accompany all applications for ON, OFF or CLUB licences. A Host Responsibility Policy should cover issues such as:-**

- ensuring that there will be no sale or supply of alcohol to minors or intoxicated persons (ON, OFF or CLUB licence)
- the provision of non-alcoholic refreshments and food (ON, OFF or CLUB licence)
- assistance with or information about alternative forms of transport from the licensed premises (ON, OFF or CLUB licence)
- ensuring that promotions do not encourage persons to consume alcohol excessively (ON, OFF or CLUB licence).
